Subject: Pivot Arm Accessory Tray for the Narkomed 6000 Series

The accessory tray provides additional writing and / or storage surface for the Narkomed 6000 series anesthesia workstation. The tray has a lip, making it especially suitable for holding syringes, etc.

The tray can be fitted to any Narkomed 6000 series machine, and mounts onto the Draeger rail on the right hand side of the ventilator (see picture).

The tray swivels, allowing limited movement at the side of the Divan. The tray does not fold down as on the Narkomed GS.

Description: Pivot Arm Accessory Tray
Part number: 4117486
Price: $425

The price includes all necessary hardware to attach the tray to the Narkomed 6000.

The tray can be easily fitted in the field as an upgrade, or at time of installation.

If you have any questions or require further information, please contact Robert Clark at x2264.
